001 // WHY WE WORK

OUR MISSION + VISION

At **Operation Finally Home**, we provide homes and home modifications to America's Veterans, First Responders and their families. We bring together corporate sponsors, builder associations, builders, remodelers, developers, individual contributors, and volunteers to help these deserving heroes and their families by addressing one of their most pressing needs – a safe place to call home.

THE LABERGE FAMILY

FEATURED FAMILY

Soon after his 18th birthday, U.S. Army Sergeant Ethan LaBerge followed his lifelong dream of enlisting in the Army. He was deployed twice to Afghanistan during his five years of service.

In May of 2012, LaBerge arrived at Fort Campbell and was placed in the storied unit of 1st battalion, 506th Infantry Regiment. During a combat mission in Afghanistan, LaBerge's life was forever changed. His platoon was leaving a meeting with a local official when a civilian detonated a suicide vest nearly 10 feet from his group. The blast resulted in two deaths and multiple casualties, and LaBerge was left in critical condition.

LaBerge suffered a concussion, many broken bones and head-to-toe shrapnel wounds. He battles PTSD and a Traumatic Brain Injury (TBI). To date, he has undergone 11 surgeries, and still struggles with memory loss, intense pain and cognitive challenges. He medically retired in 2016.

For his service, LaBerge was awarded a Purple Heart, Combat Infantryman Badge, Afghanistan Campaign Medal with two Campaign Stars, and more.

LaBerge and his wife Arin, who is also an Army veteran, have a young daughter and an infant son. They enjoy going to the zoo and the park. LaBerge enjoys attending car shows, working on cars and attending sporting events.

Thanks to Beazer Homes, Ashlar Development and Operation Finally Home, the LaBerge family is enjoying their mortgage-free home in Nichols Vale in Mt. Juliet, Tennessee.

"Everything that has come from this immeasurable gift has been a complete dream. Our goals have become so much more attainable and I feel myself becoming giddy with excitement thinking about our future. Operation Finally Home and all the generous donors have made so much possible for my family. Thank you will never be enough."

ARIN LABERGE, WIFE OF U.S. ARMY SERGEANT ETHAN LABERGE AND U.S. ARMY VETERAN.

TURNING A HERO'S HARDSHIP INTO A HOME

Our program does not work without the passion and commitment from builders and sponsors who are dedicated to changing the life of America’s wounded, ill or injured heroes. The builder is the driving force in completing a project, responsible for all facets of building the home. The sponsors help alleviate some of the financial burdens and often assist with key pillar events.

The builder(s) in partnership with Operation Finally Home will undertake all that is necessary to complete a build. The goal is to finish the project at no cost (including money raised or contributed for a special project). Each build is unique and every builder may work differently with the homeowner, subs, suppliers, and other partners and with preferred processes necessary in successfully building a custom home.
